

Parts Standardization & Management Committee

Introduction

28 Oct 2008

PSMC Military Chair
(Missile Defense Agency
Redstone Arsenal, AL)

Introduction

- “The PSMC is chartered by the Defense Standardization Program Office (DSPO) to advise the DSP
- in the development of policy, procedures, and guidance related to parts management,
 - to support the DSP in implementing such policy, procedures and guidance, and
 - to provide a standing forum for sharing parts management information and best practices.”

November 2006,
Charter
